GENERAL: The Kubu lead a semi-nomadic lifestyle in the jungles. A despised people, their lives are governed by spirit-worship, omens and taboos. Generally, most Kubu resist government efforts to integrate them into modern mainstream society. Widespread logging and encroachment by outside settlers are depleting their food and water resources.

**‘This is love: not that the KUBU loved God, but that He loves them and sent His Son as an atoning sacrifice for their sins.’
1 John 4:9 (NIV - personalised)**

Father God, You love the KUBU unconditionally that You sent Jesus Christ to die for their sins. May they know Your great love towards them.

Let every bondage of sin and spiritual oppression be broken. May the KUBU realise that in Christ, they need not live in fear of the spirit world. Lift these downtrodden ones out of spiritual and material poverty.

Grant Your servants wisdom in communicating the Good News to them. May the KUBU grasp the hope that they can have in You. Give them the courage to turn to Christ and receive Him as their Saviour Lord and King.

Bless the few KUBU believers. We pray for spiritual growth and maturity in their walk with You, that they may arise to be the salt and light to those who are seeking to know the Truth.

Father, may the KUBU regain their rightful position as Your children whom You have created in Your own image. This we pray in the Name of Christ. AMEN.
